Lamentations 1:12.

Many times our hearts have been made very heavy by the indifference of God's people. We realize there has been great indifference in every age, but in our time, God's people should be stirred more than ever before. Our time is short, and what we do we must do quickly.

With our new broadcast, we are covering the nation with the pure, simple gospel that is so sorely needed throughout the land. If you are concerned at all about this message going forth, we are asking you to do something about it.

First, we ask that you pray that God will inspire every message and touch multitudes with the glorious gospel. Secondly, we ask that you pray concerning your part in this great broadcast. We are going to need the help of each of you if we continue this work.

If it is anything to you at all, and if you are concerned, please let us hear from you as quickly as possible. We need your help NOW as never before.
