Message from Linda Firey Spess Alford - After heartfelt evaluation and consideration, it is decided that this year will be the final Keystone Reunion. This is due to a combination of factors: rising costs of postage and printing and plaque costs, the steep rising cost of rental for the Keystone Community Center, and also personal health issues. There are also obvious factors still at play that have cancelled the last two reunions and make it possibly a health risk to some (in our age range) to gather together. We feel with the combination of everything stated, the reunion has run its course after this last time. However, we will be sure to keep the KOAR Facebook page active. It's been a privilege and an honor to coordinate the reunion since 2010. Thank you. - Linda

As We Celebrate the Past and Present One Final Time

The 49th Keystone Reunion & Finale

We were back and forth on having this 2022 Reunion with some of the same concerns still going on that have cancelled the past two years. However, since this will be the final time, we opted to go ahead and hold it and announce it as the FINALE to let everyone know that it will be the final reunion - and to provide one last opportunity to gather together. Please use your own wisdom and discretion in attending. Thank you.
