

# Current Tulsa Sunset Times

Based on the times people ask us the Sunset times in planning their events, we have referenced these (at least during the peak months of the year) for your handy reference. This information was obtained from a time calculator site at [www.timeanddate.com](http://www.timeanddate.com) or by doing a Google search on the term "Sunset Times Tulsa". *Hope this helps in planning—Thanks ! \*Denotes the end of Daylight Savings Time after the first Saturday in November.*
